

## LOCAL ANNEX – UNIVERSITY OF DEUSTO

### UNIC Thematic Lines Citylabs Awards

Four UNIC CityLab Awards will be distributed among all UNIC universities for the duration of UNIC 2.0 funding.

The University of Deusto will only pay the UNIC CityLabs Awards to its academics with valid contracts at the time the awards are granted and used.

A limited amount of funds is allocated for this action, and not all presented initiatives may be awarded.

The grant amount will be €500 for each co-lead Deusto applicant of the awarded CityLab.

Out of the categories established in the general call, the grant can only be used for expenditures with the following specific conditions:

#### **Budget Usage:**

The UNIC Office at the University of Deusto, responsible for the UNIC project's finances, will approve the use of the budget and manage it directly. Expenses incurred without previous approval will not be reimbursed.

The budget will cover the following types of expenses to support academic outputs<sup>1</sup> related to the topics of the UNIC Thematic Conference in which the award is presented.

- Translation / proofreading services
- Editing services
- Publication costs
- Attendance to workshops, trainings and conferences
- Registration fees to present the academic output

#### **Please note that the following costs will be considered ineligible:**

- Equipment
- Consumables

**Subcontracting is not allowed.**

<sup>1</sup> Other types of outputs could be considered

**Co-funded by  
the European Union**
